

CIRCLES AND LINES

Resilient, fresh-looking eyes

DESCRIPTION

Blame it on a bad night's sleep. Blame it on your grandmother, sun exposure, or plain old aging. Any way you look at it, you're not happy about under-eye circles, and you don't like wrinkles.

The fact is that dark circles are inevitable at one time or another for most people. Natural collagen and elastin loss means thinner skin with less bounce-back. The eye area is especially vulnerable because the skin there is naturally thin.

Once collagen and elastin begin to diminish, the skin's capillaries become more visible and dark circles emerge. The problem can compound with poor microcirculation in the skin: capillary walls become fragile, resulting in micro-edema and micro-bruising—in other words, under-eye bags and dark circles.

Neways Circles and Lines helps diminish the appearance of fine lines and dark circles around the eyes. This rejuvenating complexion gel supports skin's collagen levels and provides elastin, resulting in the appearance of thicker, firmer, more resilient skin.

Circles and Lines helps the tender areas around the eyes. This amazing formula utilizes cutting-edge ingredients such as *Chlorella vulgaris*, lupine proteins, cross-linked elastin, and antioxidants to support the skin's collagen and elastin levels and its ability to maintain moisture.

All you'll notice is what isn't there: dark circles and fine lines.

BENEFITS

- Supports skin's collagen and elastin levels
- Reduces appearance of dark under-eye circles
- Reduces appearance of fine lines and wrinkles

CIRCLES AND LINES

(continued)

RECOMMENDED USE

Apply a pearl-sized amount of Circles and Lines under eyes, around lips, and on other areas of concern. Massage in gently with fingertips until completely absorbed. Use after cleansing, prior to other skin care products.

KEY INGREDIENTS

- *Chlorella vulgaris*—An algae that encourages a more youthful, abundant, and sturdy-looking complexion.
- *Glycosaminoglycans (GAGs)*—A constituent of skin's extra-cellular matrix. Supports the skin's collagen levels. May reduce the appearance of dark circles around the eye.
- *Hydrolyzed lupine protein*—Lupine was used by the ancient Egyptians. It helps support collagen and elastin maintenance.
- *Cross-linked elastin*—A critical structural protein in skin. Supports skin's firmness and resilience.
- *Linoleic acid*—A polyunsaturated fatty acid that protects against epidermal water loss. Easily absorbed.

DIRECTIONS: Apply a pearl size amount under eyes, lips or other areas of concern until completely absorbed. Use prior to other skin care products.

MODE D'EMPLOI: Appliquez une quantité de la grosseur d'une perle sous les yeux, les lèvres ou aux autres endroits appropriés jusqu'à absorption complète. Utilisez ce produit avant les autres produits de soins de la peau.

INGREDIENTS/INGRÉDIENTS: Water (aqua), isopentyl diol, ammonium acryloyldimethyltaurate/VP copolymer, dimethyl isosorbide, phenoxyethanol, lysine aspartate, hydrolyzed elastin, chlorella vulgaris extract, urea, caprylyl glycol, glucosamine HCl, algae extract, yeast extract, dipotassium glycyrrhizate, chlorphenesin, lecithin, hydrolyzed lupine protein, glycosaminoglycans, disodium EDTA, dipalmitoyl hydroxyproline, tall oil sterol, linoleic acid, tocopherol, sodium ascorbate, mannitol.
