

PERSONAL CARE

MILKY CLEANSER

Condition as you cleanse

DESCRIPTION

The environment is tough on your skin. In harsh climates, you may notice drying or extra sensitivity, particularly as your skin matures.

What you need is a creamy, gentle cleanser that will leave your skin conditioned. Neways Milky Cleanser features a mild yet deep-cleaning formula that gently cleanses dry, sensitive, or mature skin. Milky Cleanser goes on rich and rinses clean, leaving skin clean and conditioned.

Enriched with sweet almond oil, Milky Cleanser helps remove dirt and makeup without stripping the skin of its natural oils. This lightly scented formula is pleasant to use.

BENEFITS

- Helps maintain delicate natural oils in the skin
- Conditions skin
- Supports moisture for mature, dry, or sensitive skin

RECOMMENDED USE

Pour desired amount of cleanser into palm of hand. Massage into face and neck. Rinse with warm water.

KEY INGREDIENTS

- *Sweet almond oil*—Mimics natural skin oils. Excellent emollient and skin conditioner. Supports skin's natural moisturizing factors. Softens and improves the look of dry, chapped skin.
