# PERSONAL CARE

## FINISHING TOUCH®

(continued)

**DIRECTIONS:** May be sprayed on wet or dry hair. Hold bottle 4 to 6 inches from hair to complete that finishing touch. Note: If atomizer pump clogs, rinse under warm water and firmly replace cap.

**INGREDIENTS:** Water (aqua), acrylates copolymer, pentylene glycol, sodium hydroxide, fragrance, diethylhexyl sodium sulfosuccinate, phenoxyethanol, caprylyl glycol, chlorphenesin, triethyl citrate, disodium EDTA, panthenol, ethylhexyl methoxycinnamate, silk amino acids.

**MODE D'EMPLOI:** Vaporisez sur les cheveux secs ou mouillés en tenant l'atomiseur à 10 ou 15 cm des cheveux pour la Finishing Touch.  
**NOTE:** En cas d'obstruction de la pompe brumisatrice, rincez à l'eau chaude et remplacez le bouchon avec fermeté.

**INGRÉDIENTS:** Eau (aqua), copolymère acrylique, pentylène glycol, hydroxyde de sodium, parfum, diéthylhexyle sulfosuccinate de sodium, phénoxy éthanol, glycol de caprylyle, chlorphénésine, citrate d'éthyle, EDTA disodique, panthéol, méthoxicinnamate d'éthylhexile, acides aminés de la soie.
