

## IMPERFECTION LOTION

*Banish blemishes*

### DESCRIPTION

Skin imperfections—who wants to look at them? Irritated skin with problem pores is a challenge faced by many.

Neways Imperfection Lotion® is the answer. This creamy emulsion features astringing action that aids in the removal of imbedded soils, deep-cleanses and refines pores, and helps diminish the appearance of skin imperfections. A healthy solution for problematic skin, Imperfection Lotion blemish cream contains allantoin to soothe the skin and myrrh extracts to support a clear-looking complexion.

Imperfection Lotion contains no added parabens. It is appropriate for oily skin or combination skin where blemishes appear.
