

Maximol™ SOLUTIONS

MAXIMOL FACTSHEET

Because you know that healthy, balanced meals are only the first step on the way to ideal nutrition, we've created a superb blend of fruit extracts, vitamins, amino acids, phytochemicals, prebiotics and no fewer than 52 naturally occurring trace elements and key minerals.

Available in two variants to fit in with your lifestyle, Maximol Solutions is an essential part of your healthy daily routine.

*“live life to the full with
Maximol Solutions”*

- bio-available: gets to work in your system – fast
- 52 essential trace elements and minerals
- with fruit extracts and vitamins
- delivers antioxidant protection and digestive support

“optimum nutrition for every body”

MAXIMOL SOLUTIONS – VEGAN & VEGETARIAN FORMULA

An advanced, nutrient-rich formula packed with antioxidants, trace minerals, vitamins, prebiotic and amino acids.

USAGE: Shake well before each use. Drink 15 ml once or twice daily, mixed with 30 ml of juice or water.

ITEM CODE: 1835GB (500ml)

MAXIMOL SOLUTIONS – SENSITIVE STOMACH FORMULA

All the benefits of Maximol Solutions in a blend that's gentle and easy to digest.

USAGE: Shake well before each use. Drink 15 ml once or twice daily, mixed with 30 ml of juice or water.

ITEM CODE: 1836GB (500ml)

*“Maximol - advanced nutrition
for all the family!”*

JUNIORMAX - MAXIMOL, ADAPTED FOR CHILDREN.

All the goodness of your trusted Maximol in a formula that's designed for growing children. Pleasantly flavoured using only tooth-friendly sweeteners. Junior-Max is a good source of essential Omega 3.

USAGE: Shake well before each use. Drink undiluted or mix 30 ml with an equal amount of water, juice or milk.

ITEM CODE: 1826

MAXIMOL CLASSIC - MAXIMOL, SUGAR-FREE FORMULA.

All the formulation benefits of Maximol excluding fruit and ORAC extracts. Ideal for diabetics, it is also suitable for vegans and vegetarians.

USAGE: Shake well before each use. Drink 15 ml once or twice per day on an empty stomach. Drink undiluted or mixed with 30 ml of juice or water.

ITEM: 1830GB
