

PERSONAL CARE

NEWAYS GENERATIONS® BABY BUBBLE BATH

Luxurious, soothing foam

DESCRIPTION

You can make every bath fun without worrying about drying your baby's delicate skin. Now you can get thick, foamy bubbles in a beneficial botanical blend that's designed to soothe your baby's skin as it cleanses.

With NEWays Generations® Baby Bubble Bath, you get the best of nature: coconut and apple with natural emulsifiers and emollients. Our specially selected botanical blend gives you apple amino acids for milder-than-ever cleansing and natural extracts from licorice, chamomile, aloe, and algae to soothe and condition skin.

Neways' science brings all of this to you without the risk of exposing your baby's skin to the harsh detergents often used in bubble-bath products. With safety and effectiveness in mind, our experts combine the best of science and nature to create our advanced formulations. So tonight, let your baby soak in endless, extra-gentle bubbles for soothing bath-time fun.

NEWays Generations Baby Bubble Bath is safety tested and dermatologist approved, and it contains no SLS, propylene glycol, or added preservatives and only natural fragrances. Nature creates it, science refines it, and Neways delivers it.

BENEFITS

- Creates thick, foamy bubbles
- Cleanses skin gently
- Soothes and softens skin
- Contains no harsh ingredients

PERSONAL CARE

NEWAYS GENERATIONS® BABY BUBBLE BATH

(continued)

RECOMMENDED USE

Pour one capful of NEWAYS Generations Baby Bubble Bath under running water for abundant, soothing bubbles. Rinse skin thoroughly with fresh water after bathing.

KEY INGREDIENTS

- *Sodium cocoyl apple amino acids*—Very mild surfactants derived from the amino acids of apple juice.
- *Cocamidopropyl betaine*—A mild surfactant and foaming agent.
- *Sodium lauroyl lactylate*—An emulsifier from natural ingredients.
- *Disodium coco-glucoside citrate*—A very mild surfactant from natural ingredients.
- *Sodium lauroyl sarcosinate*—A mild surfactant with excellent foaming ability.
- *Sodium cocoyl isethionate*—A high-foaming surfactant that provides gentle cleansing and promotes the feeling of soft skin.
- *Aloe barbadensis leaf juice*—A time-honored moisturizer and skin softener.
- *Chamomilla recutita (matricaria) flower extract*—A natural, soothing botanical extract.
- *Algae extract and artemisia vulgaris extract*—Known to help reduce stinging and skin irritation.
- *Dipotassium glycyrrhizate*—A natural calming extract from licorice roots.
- *Robina pseudoacacia flower extract*—A natural antioxidant.
- *Viola odorata oil*—A natural emollient agent.

Dermatologist Tested/Preservative Free

DIRECTIONS: Add 2 to 3 capfuls to bathwater when filling.

CAUTION: Use only as directed. Excessive use or prolonged exposure may cause irritation to skin and urinary tract. Discontinue use if rash, redness, or itching occurs. Consult your physician if irritation persists. Keep out of reach of children except under adult supervision.

INGREDIENTS: Water (aqua), cocamidopropyl betaine, sodium cocoyl apple amino acids, sodium cocoyl isethionate, sodium lauroyl sarcosinate, disodium coco-glucoside citrate, sodium lauroyl lactylate, acrylates copolymer, glycol stearate, aloe barbadensis leaf juice, sodium laurate, diacetyl, robinia pseudoacacia flower extract, chamomilla recutita (matricaria) flower extract, maltodextrin, dipotassium glycyrrhizate, algae extract, viola odorata oil, artemisia vulgaris extract.
