NEWAYS GENERATIONS® BABY HAIR DETANGLER

Condition as you detangle

DESCRIPTION

Even fine baby hair can produce a tangle, but no one enjoys jerking and tugging a tender little scalp to comb out tangles.

With NEWays Generations® Baby Hair Detangler, you'll not only eliminate knots for a gentle comb-through but you'll actually condition your child's hair. This light and luxurious formula applies easily, and its moisturizing ingredients go to work to give your child's hair natural softness.

Safety tested, dermatologist approved, and preservative free, Baby Hair Detangler is naturally scented and free of potentially harmful ingredients such as SLS, propylene glycol, or PEGs. Aloe and the latest ingredients provide high gloss to create an endless sheen and maximum combability. Nature creates it, science refines it and Neways delivers it.

BENEFITS

- Eliminates knots and tangles
- Conditions hair
- Provides healthy shine and natural softness
- Contains no harsh ingredients that can irritate the scalp

RECOMMENDED USE

Add Baby Hair Detangler to damp or dry hair and comb through. Style as usual.
