

PERSONAL CARE

NEWAYS GENERATIONS® BABY LOTION

Naturally baby-soft skin

DESCRIPTION

Your baby's skin is soft by nature. But you need to do your part to keep it that way. Dry weather, central heating and air conditioning, and exposure to the environment can all be tough on tender skin.

Rich, creamy NEWAYS Generations® Baby Lotion protects your child's skin with gentle moisturizers and antioxidants. Aloe vera; wheat, olive, and avocado oils; vitamin E; and shea butter combine to soften and moisturize delicate skin without irritation.

This natural formula contains antioxidants to protect skin from the ravages of the environment. NEWAYS Generations Baby Lotion does more than moisturize and protect: it actually nourishes with babassu oil and sugar-beet-derived emollients that represent the latest in skin science.

Featuring a light natural scent, this lotion is safety tested, dermatologist approved, and free of preservatives and fragrances. Alone or used with essential oil blends, NEWAYS Generations Baby Lotion is ideal for massage.

At Neways, we help you maximize your child's health and beauty while minimizing her exposure to potentially harmful ingredients. Combining the best of science and nature, this Baby Lotion is just what you need to keep your baby's skin the way nature made it in the first place. Nature creates it, science refines it, and Neways delivers it.

BENEFITS

- Soothes and moisturizes skin
- Protects skin with antioxidants
- Nourishes skin with natural emollients

PERSONAL CARE

NEWAYS GENERATIONS® BABY LOTION

(continued)

RECOMMENDED USE

Massage NEWAYS Generations Baby Lotion over entire body for softened, moisturized, protected skin. Gentle enough for all skin types.

KEY INGREDIENTS

- *Olivoyl hydrolyzed wheat protein, cetearyl alcohol, glyceryl oleate, and glyceryl stearate*—This emulsifier and lipoprotein blend contains olive oil fatty acids.
- *Limnanthes alba (meadowfoam) seed oil and butyrospermum parkii (shea butter) extract*—Skin moisturizers and conditioners.
- *Hydrogenated avocado oil*—A natural skin moisturizer.
- *Orbignya oleifera seed oil*—A natural moisturizer.
- *Robina pseudoacacia flower extract*—A natural antioxidant.
- *Viola odorata oil*—A natural emollient agent.
- *Betaine*—Natural skin moisturizer derived from sugar beets.
- *Tocopheryl Acetate*—A powerful antioxidant.
- *Aloe barbadensis leaf juice*—A time-honored moisturizer and skin softener.
- *Dipotassium glycyrrhizate*—A natural calming extract from licorice roots.
- *Algae extract and artemisia vulgaris extract*—Known to help reduce stinging and skin irritation.
- *Chamomilla recutita (matricaria) flower extract*—A natural, soothing botanical extract.

Preservative Free/Ohne Konservierungsstoffe

DIRECTIONS: Apply a desired amount on clean skin and rub in.
