

HEALTH & WELLNESS

ANATOMIX®

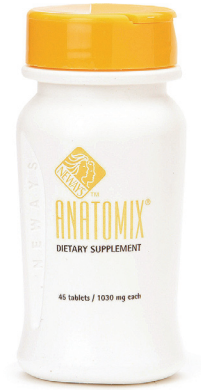

Support for your joints*

DESCRIPTION

Your body does miraculous things. It nourishes and regenerates cells. It heals wounds. It eliminates toxins. It renews energy. But all of this depends on proper nutrition and good health habits. Without the right nutrients, these processes are compromised.

That's where Anatomix® tablets come in. Anatomix® is a great source of MSM (methylsulphonylmethane), a nutritional form of sulfur. Many people don't realize that sulfur is one of the most important required elements in human nutrition. About half of the body's total sulfur is concentrated in the muscles, while the other half is found in the brain, hair, skin, and bones. The body uses it to assist in fighting minor inflammation.*

Odorless and essentially tasteless, the MSM contained in Anatomix® is of superior quality and is safe. In addition, Anatomix® gives you vitamin C, a key antioxidant, as well as the herb cat's claw. Anatomix® bolsters the body's reservoir of inflammation-soothing nutrients. It's the perfect addition to your daily diet.*

BENEFITS

- Supports against minor inflammation*
- Supports joint health*

KEY INGREDIENTS

- *Methylsulphonylmethane (MSM)*—A purified, organic form of sulfur.
- *Vitamin C*—A powerful antioxidant.*
- *Cat's claw (uña de gato)*
