## NEWAYS EXTRA GENTLE® CLEANSER

*Beautiful skin begins with cleansing*

### DESCRIPTION

Your skin is the most powerful component of the first impression you make on others. It's also one of the most delicate organs of your body. When dead cells and extra oils pollute the outer layer of your skin, it shows. For a healthy glow, you need gentle cleansing that dissolves oil and helps remove dead skin cells.

Designed for normal skin types, Neways Extra Gentle® Cleanser cleans the way Mother Nature intended: using non-abrasive surfactants and fruit and herbal extracts that won't upset your skin's protective acid mantle. This gel formula is fragrance-free.

Neways Extra Gentle® Cleanser creates a luxurious lather that soothes and conditions the complexion as it cleanses. You're left with a clean, refreshed, healthy appearance.
