

IMPROVED FORMULA • GREAT NEW TASTE

## MAXIMOL SOLUTIONS®

*Mineral and multi-nutrient formula for maximum nutrition\**

### DESCRIPTION

Pour liquid nutrition into your diet with the multi-mineral-and-nutrient Maximol Solutions.

Your body craves essential macro and micro minerals so that it can function properly. Too many of us, however, eat diets that starve our bodies of these crucial minerals. And you can't achieve optimal health without essential macro and micro minerals, the inorganic substances necessary for healthy human nutrition.

Maximol Solutions has the solution for everyone whose diet doesn't deliver all the minerals they need. Maximol supplements your diet with a nutrient-rich liquid formula featuring a unique blend of essential minerals with added organic fulvates that boost mineral absorption.

Maximol boosts its value to your body by also supplementing your antioxidant intake. Antioxidants are also in short supply in many diets, and Maximol features a combination of ten fruit concentrates and extracts with powerful antioxidant capabilities.

With a wide spectrum of essential and trace minerals and an array of anti-oxidant rich fruit concentrates, Maximol is complete, balanced nutrition for diets low in minerals and lifestyles low in energy. Taking Maximol daily can help make up for what your diet lacks. It's an easy step in the right direction.

### BENEFITS

- Supports digestion, circulation, respiration, neural and muscular health
- Supports vision, hearing, taste, learning, memory, exercise and physical recovery
- Helps maintain cellular health
- Provides high antioxidant activity to scavenge free radicals
- Supports body stamina and anti-aging processes

IMPROVED FORMULA - GREAT NEW TASTE

## MAXIMOL SOLUTIONS®

(continued)

### KEY INGREDIENTS

- **Calcium**—helps form healthy bones.
- **Magnesium**—is essential for the healthy structure and functioning of nerves and muscles. It also supports the metabolism of calcium, sodium, and potassium.
- **Molybdenum**—is essential for the proper function of several enzymes and healthy nervous system development.
- **Selenium**—is necessary for the enzyme glutathione peroxidase, which supports thyroid health.
- **Chromium**—supports healthy blood sugar levels.
- **Manganese**—is supports healthy joints and cartilage.
- **Iodine**—supports a healthy thyroid, which regulates human growth and development.
- **Zinc**—supports the immune system. It also supports the health of the neuropsychological functions in the body. Additionally, zinc supports the muscular system by promoting the normal development of lean muscle mass and improving exercise tolerance.
- **Maximol Mineral Matrix™**—is an advanced trace mineral complex that provides important trace minerals that are necessary for proper physiological function: Chromium, Copper, Dysprosium, Erbium, Europium, Gadolinium, Gallium, Germanium, Gold, Hafnium, Holmium, Indium, Iodine, Iridium, Iron, Lanthanum, Lithium, Lutetium, Magnesium, Manganese, Molybdenum, Selenium, Silicon, Silver, Sodium, Strontium, Sulfur, Tantalum, Tellurium, Terbium, Thallium, Thorium, Thulium, Tin, Titanium, Tungsten, Vanadium, Ytterbium, Yttrium, Zinc, and Zirconium.
