REPLENISHING MIST™

Revitalize stressed hair

DESCRIPTION

All the things you do to your hair—harsh shampooing, blow-drying, heat styling, applying chemical products—can stress and damage it. Your hair can lose its moisture within two hours after shampooing. Environmental factors further traumatize hair, making it limp and lifeless.

Neways' Replenishing Mist™ helps bring back your hair's bounce and flex. This spray-on hair moisturizer is loaded with essential moisturizing ingredients that increase flexibility and strength and decrease dryness and breakage.

Replenishing Mist™ is specially formulated to revitalize and protect damaged hair. Made with panthenol and hair keratin amino acids, this product provides high levels of moisture retention.

BENEFITS

- Conditions stressed hair
- Helps reduce dryness and breakage
- Adds shine to hair
- Helps increase moisture retention

KEY INGREDIENTS

- *Cetrimonium chloride*—An antistatic agent that helps moisturize hair.
- *Hair keratin amino acids*—Provide conditioning benefits. Approximately 91 percent of the hair is protein made up of long chains of amino acids.
- *Hydrolyzed mucopolysaccharides*—Long-chain sugars that moisturize the skin and support hair health.
- *Panthenol*—A form of vitamin B₅ that binds to hair follicles and attracts moisture from the air. Smooths hair surfaces, making hair shiny and easier to comb.
- *Sage extract*—A natural deodorizer and conditioner.
- *Sandalwood extracts*

REPLENISHING MIST™

(continued)

Replenishing Mist™ is a rich hair moisturizer that helps retain moisture for up to 48 hours.

DIRECTIONS: After using Exuberance™ conditioner and towel drying hair, spray Replenishing Mist™ evenly over hair. Do not rinse out. Dry or style hair.

INGREDIENTS: Purified water (Aqua), isopentyl diol, hair keratin amino acids, cetrimonium chloride, salvia sclarea (clary) oil, pelargonium graveolens flower oil, caprylic/capric triglyceride, panthenol, hydrolyzed glycosaminoglycans, santalum album (sandalwood) oil, rosmarinus officinalis (rosemary) leaf oil, lavandula angustifolia (lavender) oil, phenoxyethanol, methylparaben, butylparaben, ethylparaben, propylparaben.

Le Replenishing Mist™ est un hydratant onctueux pour la chevelure qui permet de retenir un haut niveau d'hydratation pour une durée pouvant aller jusqu'à 48 heures.

MODE D'EMPLOI: Après avoir utilisé le revitalisant Exuberance™ et avoir essoré les cheveux, vaporisez le Replenishing Mist™ uniformément sur les cheveux. Ne rincez pas. Séchez les cheveux ou coiffez-les.

INGRÉDIENTS: Eau purifiée, isopentyl diol, acides aminés de kératine, chlorure de cétrimonium, dexpanthénol, huile de salvia sclarea (sclairee), huile de fleurs pelargonium graveolens, triglycéride octylique/caprique, glycosaminoglycannes hydrolysés, huile de santalum album (bois de santal), huile de rosmarinus officinalis (romarin), huile de lavandula angustifolia (lavande), phénoxyéthanol, parahydroxybenzoate de méthyle, parahydroxybenzoate de butyle, parahydroxybenzoate d'éthyle, parahydroxybenzoate de propyle.
