

# PERSONAL CARE

## NEWAYS SKIN ENHANCER®

*Powerful daytime skin protection*

### DESCRIPTION

A healthy, radiant complexion is vital to establishing a youthful appearance and fostering positive self-esteem. However, keeping your skin healthy and radiant presents challenges. On a daily basis, your skin must battle enemies, such as the sun and time itself.

Skin Enhancer® beauty lotion provides benefits to skin that has lost its youthful resilience and radiance. The moisturizers in Skin Enhancer® maintain the skin's natural balance and keep it supple by providing water and healthy oils for maximum hydration. In addition, this lotion provides an array of protective ingredients and natural extracts to support your skin during the hot summer months, so you can look and feel younger.

As skin grows older, it loses the ability to produce healthy collagen and elastin, two elements fundamental to healthy, youthful skin. Skin Enhancer® supports the skin's collagen, promoting an appearance of youthful resilience in aging skin.

Apply Skin Enhancer® every morning as part of your daily skin care regimen. In addition, you can use this lotion before or after outdoor activity to ease dry skin. Younger, more radiant skin awaits you!

### BENEFITS

- Provides the enrichment skin needs to maintain its natural moisture-retaining properties
- Helps skin feel smooth and supple and look radiant
- Promotes a youthful appearance by supporting enhanced skin resilience and strength
- Supports against the environment
- Contains no potentially harmful ingredients

### KEY INGREDIENTS

- *Spirulina extract*—Enhances the health and appearance of skin by balancing moisture levels in the skin; reduces water loss and evaporation.

# PERSONAL CARE

## NEWAYS SKIN ENHANCER®

(continued)

- *Antioxidant complex (vitamin E, vitamin C, curcuma longa extract, ergothioneine, rosaceae extract, and magnoliaceae extract)*—A proprietary combination of natural ingredients that aids in supporting skin against the environment and helps the skin maintain its youthful appearance.
- *Dipotassium glycyrrhizinate*—A natural promoter of skin glycosaminoglycans, which help maintain hydration.
- *Skin-stimulating complex (oat extract, B-glucan, and yeast extract)*—Soothes and enriches skin.
- *Aloe vera*—Known for its rejuvenating properties; promotes the skin's collagen to promote the appearance of youthful resilience in aging skin.
- *Anacystis nidulans extract*—Assists skin during the summer.

**DIRECTIONS:** Apply a small amount to clean skin and rub in thoroughly until absorbed.

**INGREDIENTS:** Purified water, sodium behenoyl lactylate, cetyl alcohol, rosa canina fruit oil, stearic acid, butylene glycol, saccharide isomerate, ethylhexyl palmitate, aloe barbadensis leaf juice, helianthus annuus (sunflower) seed extract, ergothioneine, glycine soja (soybean) protein, oxido reductases, plankton extract, lecithin, phenoxyethanol, dimethicone, yeast extract, sorbitol, dipotassium glycyrrhizate, tetrahexyldecyl ascorbate, tocopheryl acetate, yeast polysaccharides, polysorbate 20, cetyl hydroxyethylcellulose, pyridoxine dicaprylate, avena sativa (oat) kernal extract, magnolia acuminata bark extract, curcuma longa (turmeric) root extract, spirulina platensis extract, rosa centifolia flower extract, algae extract, methylparaben, propylparaben.

**MODE D'EMPLOI:** Appliquer en petite quantité sur la peau propre et masser jusqu'à absorption complète.

**INGRÉDIENTS:** Eau purifiée, lactylate bénynoyl de sodium, alcool cétylique, huile d'églantier, acide stéarique, butylène glycol, isoméat de saccharide, palmitate d'hexyle éthylique, jus de feuille d'aloès vrai, extrait d'heliantus annuus (graine de tournesol), ergothionine, protéine de soja glycine max (soya), oxido-réductase, extrait de plancton, lécithine, phénoxyéthanol, diméthicone, extrait de levure, sorbitol, glycyrrhizate dipotassique, ascorbate tétrahéxydécylique, tocophérol, levure de polysaccharides, polysorbate 20, hydroxyéthylcellulose cétylique, dicaprylate de pyridoxiné, extract de graines d'avoine, extrait d'écorce de magnolier acuminé, extrait de racine de curcuma, extrait de spirulina platensis, extrait de rose centfeuilles, extrait d'algue, parahydroxybenzoate méthylique, parahydroxybenzoate de propyle.
